# EQUESTRIAN POST-FRAME PACKAGES

## We make it easy for you to succeed.

Ready to make great strides in the equestrian market? Burrow's Complete Post-Frame Solutions and Classic Equine Equipment have teamed up to help you build on your success.

Independent builders can now get all the post-frame supplies and support they need, including high-quality horse stall components.

Burrow's offers equestrian floor plans, complete post-frame building packages, and in-stock quality horse stall components, competitively priced so you can **win more projects!**

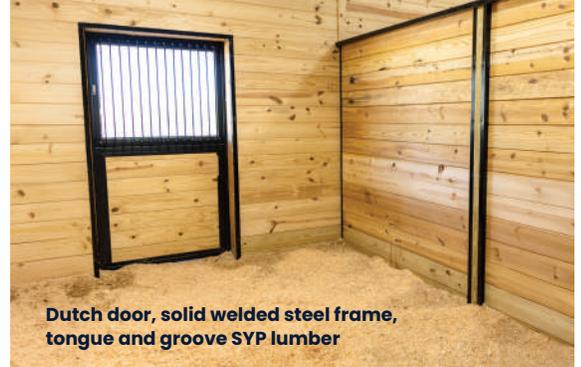

# Burrow's has everything you need for complete horse barn projects, inside and out.

Post-frame buildings are ideal for horse barns and equestrian buildings. Burrow's now makes it easy for you to sell and construct equestrian projects faster. Our building packages for 3- to 6-stall equestrian barns can now be supplied with in-stock horse stall component kits from Classic Equine Equipment.

Super-smooth sliding door with grill top and wood-fill bottom

Dutch door, solid welded steel frame, tongue and groove SYP lumber

Powder-coated galvanized steel grill

## Integrity Series stall components from Classic

The Integrity Series from Classic is a stall component solution that emphasizes safety and durability for your customer, plus ease of installation for you. Stall components readily integrate into the wood-framed interior of your post-frame structure.

With our help, you don't need to be an equestrian expert to win more horse stall projects. We can support you end-to-end with custom horse barn floor plans, SmartBuild designs, quick customer estimates, and stall installation training.

## Committed to your post-frame success

We are more than just your post-frame supplier. We're your business partner. With the addition of quality horse stall components to your building package, Burrow's provides all the support, supplies, and accessories you need to succeed.
